My name is …….. and I am in Year ……. at the moment.

I go to St Mary's Primary school in a village called Albrighton which is near the RAF Cosford base in Shropshire where I live. My family has been posted so I need to move away now which means a new school and lots of new friends!

Colour in the words below that best describe how you are feeling about moving away to a new school. Ask Mum or Dad to help you. Write your own in the space below if none of them will do or you can draw a picture showing how you feel instead.
