St Mary's Vision & Values

*'At St Mary's, we inspire every child to **strive for excellence** in all that they do, embracing challenges as opportunities to learn and grow.'*

This vision statement is underpinned by the spirit of Colossians 3:23: *'Whatever you do, work at it with all your heart.'*

At the heart of our Christian vision is the belief that each child is created in the image of God, and thus holds immense worth and potential. Our vision, for children to *strive for excellence*, encourages them to stretch their own limits to achieve their personal best. We will develop ambitious learners who have the courage to embrace challenges and setbacks as part of their learning process. The Bible teaches us that whatever we do, we must do our very best, approaching every task with diligence, enthusiasm and excellence. We want our children to have the belief that whatever is asked of them, they should work at with all their heart.

Our aspiration is for children to uphold the Christian values we instil in them throughout their lives. We strive to nurture the whole child, fostering not only academic excellence but also compassion for others and a deep understanding of their place in society. By valuing their own worth and the worth of others, our aim is that they learn to contribute positively within their own community and as global citizens.

St Mary's CE Primary School is a welcoming school set in the historic Shropshire village of Albrighton. We have strong links with both our church, St. Mary Magdalene, and the Lichfield Diocesan Board of Education and work collaboratively with Albrighton Parish Council and RAF Cosford. Our children are fortunate to be part of a loving school community, who fully embrace the school's vision and values.

Parents and carers play a vital role in their children's education, actively engaging with the school and eagerly seizing opportunities to collaborate. Their involvement, whether by participating in events or supporting school initiatives, fosters a positive impact on students and enriches the entire school community.

Values

Love – it is more important than anything else; love binds all things together in perfect unity (Colossians 3:14)

Courage – a willingness to overcome self-doubt and bravery to face challenges without fear

Forgiveness – our school Saint (Mary Magdalene) experienced forgiveness and compassion from the Lord; we want our children to be willing to forgive and experience forgiveness from others

Colossians 3:12 – 3:15

12 You are the people of God; he loved you and chose you for his own. So then, you must clothe yourselves with compassion, kindness, humility, gentleness, and patience. 13 Be tolerant with one another and forgive one another whenever any of you has a complaint against someone else. You must forgive one another just as the Lord has forgiven you. 14 And to all these qualities add love, which binds all things together in perfect unity.

The biblical scripture that underpins our vision is taken from the Epistle to the Colossians, the twelfth book of the New Testament. The apostle Paul wrote a letter to the Colossians, in which he gave specific instructions on the Christian way of life. These included living a virtuous existence with compassion, kindness, humility, gentleness, patience, forgiveness and love.

As a school community, we have decided our core Christian values are Love, Courage and Forgiveness. We believe our three core values will have the greatest impact upon our children's moral and spiritual journey as they move through school and beyond.

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence

- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)
- The School Attendance (Pupil Registration) (England) Regulations 2024
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013 and the 2024 amendment

It also refers to:

- School census guidance

The designated senior leader responsible for attendance is Mr S Holmes and can be contacted via 01902 372885 or admin@st-mary-albrighton.shropshire.sch.uk.

3.4 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions daily, using the correct codes (see Appendix 1), and submitting this information to the school office by the close of registration each morning and afternoon.

3.6 School admin staff

School admin staff will:

- Monitor the school attendance monitoring system (SIMS) and enquire as to reasons for absence where none have been given. (N code)
- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the relevant member of staff in order to provide them with more detailed support on attendance
- Track attendance and populate spreadsheet for Senior Leadership team.

3.7 Parents

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence (by telephone) before 9am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the Senior Attendance Champion via the school office. (admin@st-mary-albrighton.shropshire.sch.uk)

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent

- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Pupils must arrive in school by 8.50am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 8.55am. The register for the second session will be taken at 12.45pm for EYFS and Key Stage 1 and will be kept open until 12.50pm. For Key Stage 2 it will be taken at 1pm and will be kept open until 1.05pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence before 9am by calling the school office, who can be contacted via telephone on 01902 372885. Should parents be unable to speak to office staff, they can leave a message on the school answer phone. The message should detail the name and year group of their child and the reason for absence.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending an emergency medical or dental appointment will be counted as authorised, as long as the pupil's parent notifies the school in advance of the appointment. Leave of absence forms or requests for early leave should be completed and forms can be obtained via the school office.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may take other reasonable steps:
  - Contact with other schools where siblings may be registered
  - Possible home visit
  - Enquiries to friends, neighbours etc. through school contacts
  - Enquiries with any other Service known to be involved with the pupil/family
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer

- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention as appropriate.

4.6 Reporting to parents

The school will regularly inform parents/carers about their child's attendance and absence levels at parents' evenings and through written reports.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as the wedding or funeral of an immediate family member , attendance at a school entrance exam or open event.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, as per DfE guidance, it will not be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 1 week before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Local Authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice. School work closely with the Local Authority to notify them of any pupils hitting the thresholds for a penalty notice.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

1 The School is committed to provide children with the 'tools' they need to confidently attend school. The school will support families through a number of strategies including:

• The most vital part of encouraging good attendance is to ensure that the school is a place to which the children want to come: that the school is a place where the children are treated with respect and feel valued; a place where their needs are recognised and are being addressed; a place where all children can experience success within a rich, relevant and diversified curriculum.

• It is clear that children alone cannot ensure their regular and punctual attendance at school. From the outset, parents are encouraged to take an active interest in the work of the School and to build and support their children's enthusiasm for attending school.

• All staff make children aware of the importance of good attendance and children are praised. Class attendance will be announced in the school's Weekly Celebration Worship and classes meeting the whole school target will move up the attendance ladder (Whole school attendance display). The class with the best attendance at the end of each half term will receive a £10 token to spend on play equipment.

- Certificates will be awarded for good attendance during end-of-term Celebration Worship and a prize for any child achieving 100% attendance at the end of the academic year.

• School staff will speak with parents to discuss the reasons behind non-attendance and or lateness. The school will endeavour to make reasonable adjustments to support parents and children, for example, staggered drop-offs or alternative entrance where possible; transition objects to support the child with the transition between home and school.

• Sharing expectations and the importance of regular attendance with parents through newsletters, parent meetings and on the school website.

• Each child's attendance record is shared with the parents as part of annual written reports and at Parent Consultations, attendance is discussed. It follows that individual records of attendance are kept and are passed onto subsequent schools

7. Pupils Who require additional support

Our school is committed to reducing persistent and severe absence by ensuring that students and their families receive the right support at the right time. We will work closely with parents, carers, and students to identify and address any barriers to attendance, both within and outside the school environment. This includes offering a graduated response through assessment, planning, intervention, and regular review of support plans. We will make reasonable adjustments, provide necessary referrals to voluntary services with family consent, and meet regularly with those at risk of absence. For students requiring additional support, particularly those facing emotional barriers to attendance, we will offer targeted interventions and collaborate with external agencies to provide specialist assistance. Our approach prioritises safeguarding and the well-being of our students while promoting consistent school attendance.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families
- Provide regular attendance reports to parents/carers to facilitate discussions with pupils and families.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
    - Discuss attendance and engagement at school
    - Listen, and understand barriers to attendance
    - Explain the help that is available
    - Explain the potential consequences of, and sanctions for, persistent and severe absence
    - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Senior Leadership Team. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:
