WEEKLY Worship

""WHATEVER YOU DO, WORK AT IT WITH ALL YOUR HEART"
(Colossians 3:23)

This week in Worship, children have been thinking about the Bible quote " Love one another as I have loved you, so you must love one another." John 13:34-35. We talked together about whether or not we should show love to everyone, those we do know and those we don't - friends family, strangers. We talked about what would Jesus want us to do? Children came to the conclusion that Jesus would want us to love everyone, and that love could be shown in a variety of ways; kindness, support, hope. We debated as to whether love could be measured in mathematical units - cms, miles, kilometres, or whether love was endless. All in all we conclued (with a little help from The Beatles) that all we actually need in life is love!

LET'S TALK! Our BIG Question!

Talk together about this week's BIG school question:
Why do you think mistakes help us learn?
